

SPONSORSHIP UNDERSTANDING

This is not intended as a legally binding document, but is a set of guidelines to assist anyone who has decided that they wish to sponsor a student through LEOT.

There are 3 parties to any sponsorship agreement and the expectations of each are set out below.

THE STUDENT

Will be required to sign a contract accepting the Terms and Conditions for receipt of the award*

Will use the funds for the purposes that they are allocated

He or she will follow the course for which they have initially enrolled and not seek to change course or place of study without the approval of the LEOT Homeland Director

They will inform the Homeland Director of any changes in their circumstances which might affect their educational progress

They will respond promptly to any questions or enquiries from the Sponsor or the Homeland Director.

They will provide evidence of their grades at the end of each semester.

THE SPONSOR

Undertakes to support the student throughout their projected course of study

Is aware that currency fluctuations and inflation may affect the value of their support, and should budget for an annual increase of about 10%.

Will inform LEOT promptly if for any reason they are obliged to terminate their sponsorship.

Will not make major gifts to the student directly without first consulting LEOT **

LEOT

Will use the funds donated exclusively for the benefit of the sponsored student without any deduction for administrative expenses or other charges.

Will keep in regular touch with the student and the sponsor to ensure that the latter is aware of the progress of their student.

Will insofar as possible, be responsible for the educational guidance and welfare of the student.

Will respond promptly to any questions or comments raised by the sponsor.

Will not reveal to the student the identity or email address of the sponsor without having the sponsor's express consent.

(* A copy of this document can be provided for the sponsor if required.

** This condition is designed to protect the sponsor from inappropriate requests from students for additional gifts and payments; once a pattern of such gifts is established it can easily spiral out of control to the embarrassment and annoyance of the sponsor.)

AGREEMENT

I confirm that I/we wish to sponsor for their course of study, which will be ofyears duration.

I/we wish to offer \$/£ for my/our support of this student in the first year.

I/we wish/do not wish to make a one-off additional payment of \$40/£25 to be applied to the LEOT Educational Development Fund.
